

# Rental Fencing

The Cat Rental Store now offers a full line of rental fencing. We have teamed up with Modu-Loc Fence Rentals Ltd. in order to provide you with experienced and skilled personnel whose focus is on customer service, ensuring that all your fencing needs are satisfied.

Modu-Loc's products are unique in the marketplace. These panels are extremely sturdy and stable and can be installed as a free standing system, anchored in loose terrain or fixed onto concrete/blacktop. In addition, gates for vehicles or personnel can be installed in any location in the fence line. We can also provide a screening material for added privacy and security.
